

# World No Tobacco Day 2023 awards - the winners

Every year, WHO recognizes individuals or organizations in each of the six WHO Regions for their accomplishments in the area of tobacco control. This recognition takes the form of WHO Director-General Special Recognition Awards, World No Tobacco Day Awards, and in 2023, one WHO Director-General's Special Recognition Certificate.

## *South-East Asia Region awardees*

# **Centre for Multi-Disciplinary Development Research Dharwad, India**

Congratulations Team CMDR for coveted award of WHO South East Asia Region Award on Tobacco Research.

The Team deserves rich appreciation. CMDR places on record the tireless efforts of entire Team working since Two decades, but got recognition today.
